Purpose/Goals: At Pied Piper Nursery School, it is our primary goal and purpose to provide a Preschool environment in which teachers and students experience an enthusiasm for learning and accomplish successes. We promise to provide the children with ample opportunities to grow socially, physically, emotionally, intellectually, and creatively in our child centered environment. At the prime ages of 3-5 years old, children develop many of their social skills as well as moral and ethical values that will shape their futures. At Pied Piper, we place a strong focus on the moral and character development of your child, emphasizing love, empathy, honesty, fairness, respect, responsibility, and of course, faith. Children will not only learn to identify with these character traits, but they will see these behaviors exhibited by our staff at school and in our community. Pied Piper is committed to promote these core Christian values in all that we do.

License: Pied Piper Nursery School is licensed by the Ohio Department of Job and Family Services. In addition to following the rules set forth and regulated by the State, Pied Piper Nursery School will strive to go above and beyond minimum licensing standards to provide the best quality care for your child.

Curriculum: Pied Piper Nursery School offers an academic and intellectual based, anti-bias, hands-on program using both the A Beka Books and Horizons Curricula which incorporate Language Arts, Math, Science, Creative Art, Character Development, and Social Studies throughout weekly lesson plans. A typical day for children includes morning assembly, followed by rotations to classrooms, which are designated for each subject of learning. Small group projects, large motor activities, music, snack, and free choice time are incorporated in their daily routine.

Special Services: For your convenience, students and parents are greeted by our staff each morning curb-side and are personally escorted to the door, eliminating the need for parking. Student pick-up is handled in the same manner.

Snack: Provided each day, and will contain at least 2 foods from the 4 basic food groups.

Lunch: Catered each day for students enrolled in the All Day Preschool Program

Ratios: Student to Teacher ratios will not exceed 12:1 for 3 yr. olds and 14:1 for 4 and 5 yr. olds as set forth by the Ohio Department of Job and Family Services.

Facilities: Pied Piper leases facilities from the First Presbyterian Church of St. Clairsville, Ohio and is located on 110 S. Marietta Street

Staff: The staff includes the Administrator who holds a Bachelor's degree in Early Childhood Education. The teachers have education, experience and training in Early Childhood Education. All staff, including the Administrator and teachers will be trained in First Aid,

Communicable Disease Recognition, and Child Abuse and Neglect Recognition and Prevention. All teachers and the Administrator are also certified in CPR.

Families: Families play an important role at our school. They are welcome to visit, participate as a volunteer, suggest ideas, and contribute their talents to our program. Please make your arrival known at the Preschool office before visiting your child’s classroom. We invite you to communicate with the staff on a daily basis regarding your child’s preschool education and general well-being. If there is ever a grievance matter involving any of our families, staff, or programs, those involved are encouraged to speak to the Administrator immediately.

Medical Statement: Each child is required by Ohio law to have an annual physical examination. The Preschool will provide forms for this examination and record of immunizations, which are to be completed, dated, and signed by your child’s physician. This form must be on file on the child’s first day of school and must be updated annually. Other paperwork is also required to be completed and on record for the child’s first day of school.
